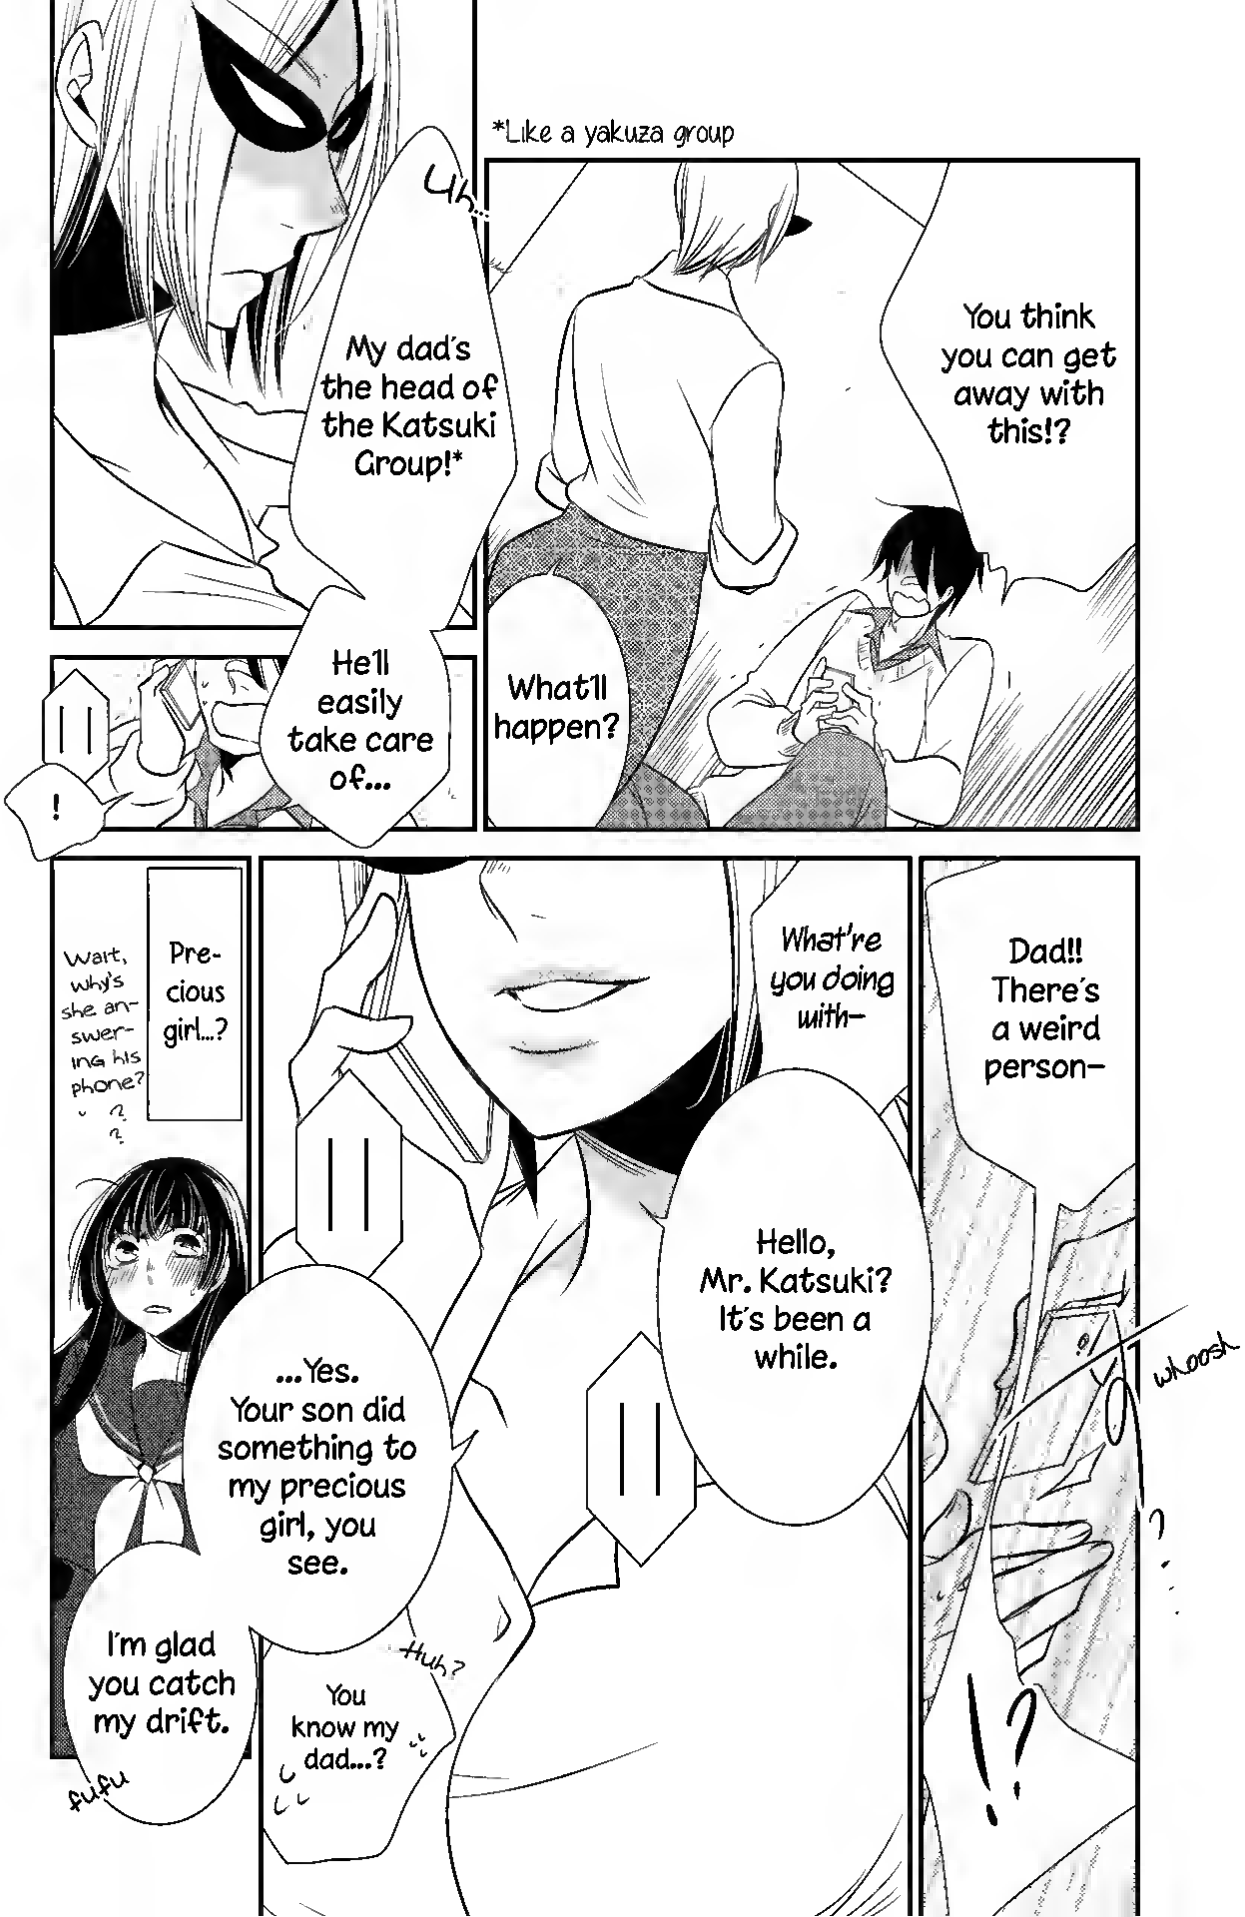
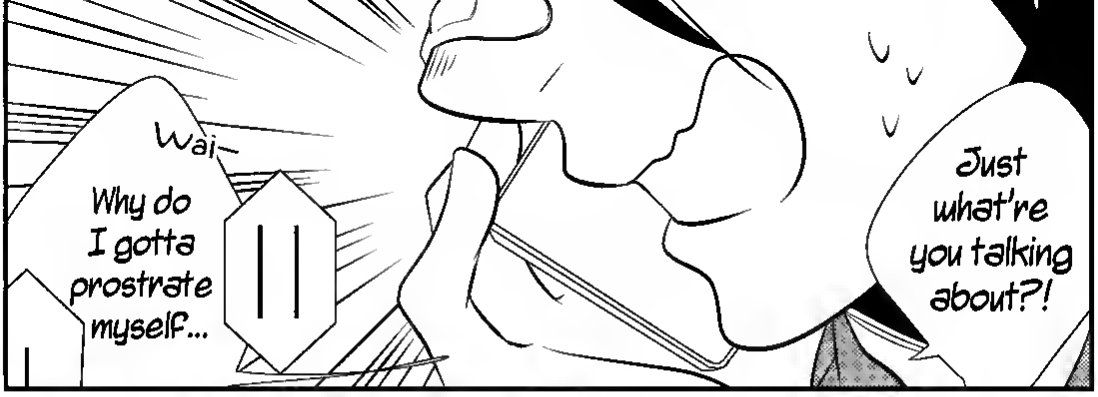
Second half of the full-sprint love comedy!
SENSEI, are you still the same person as before? Or...
八重桜シンパシー
Yaezakura Sympathy
竹宮ジン
Jin Takemiya

Who the heck are you?!
Wha...
Me?
Why d'you think I'm covering my face? You stupid?
There's no way I'd just tell you my identity, right?
What are you doing, Yae?!
That voice!!
Aun—
slide
whisper
I'm untying you now, so stay still.
Eh?

gasp
Wait!
Hey now.
Right now, I'm Queen Number Two★
I'll hit you if you say aunt
What, you too!?
Aunt Kazuko, why're you also doing this?!
What the...?!
moan
ughaaaa
Those brats won't even last three minutes against Queen Number One.
She's already about done as I say this
Don't worry about me, so hurry up and...
Oh...
It's fine. It's fine.
Who's a princess?!
The princess should just be quiet and watch.
For now.



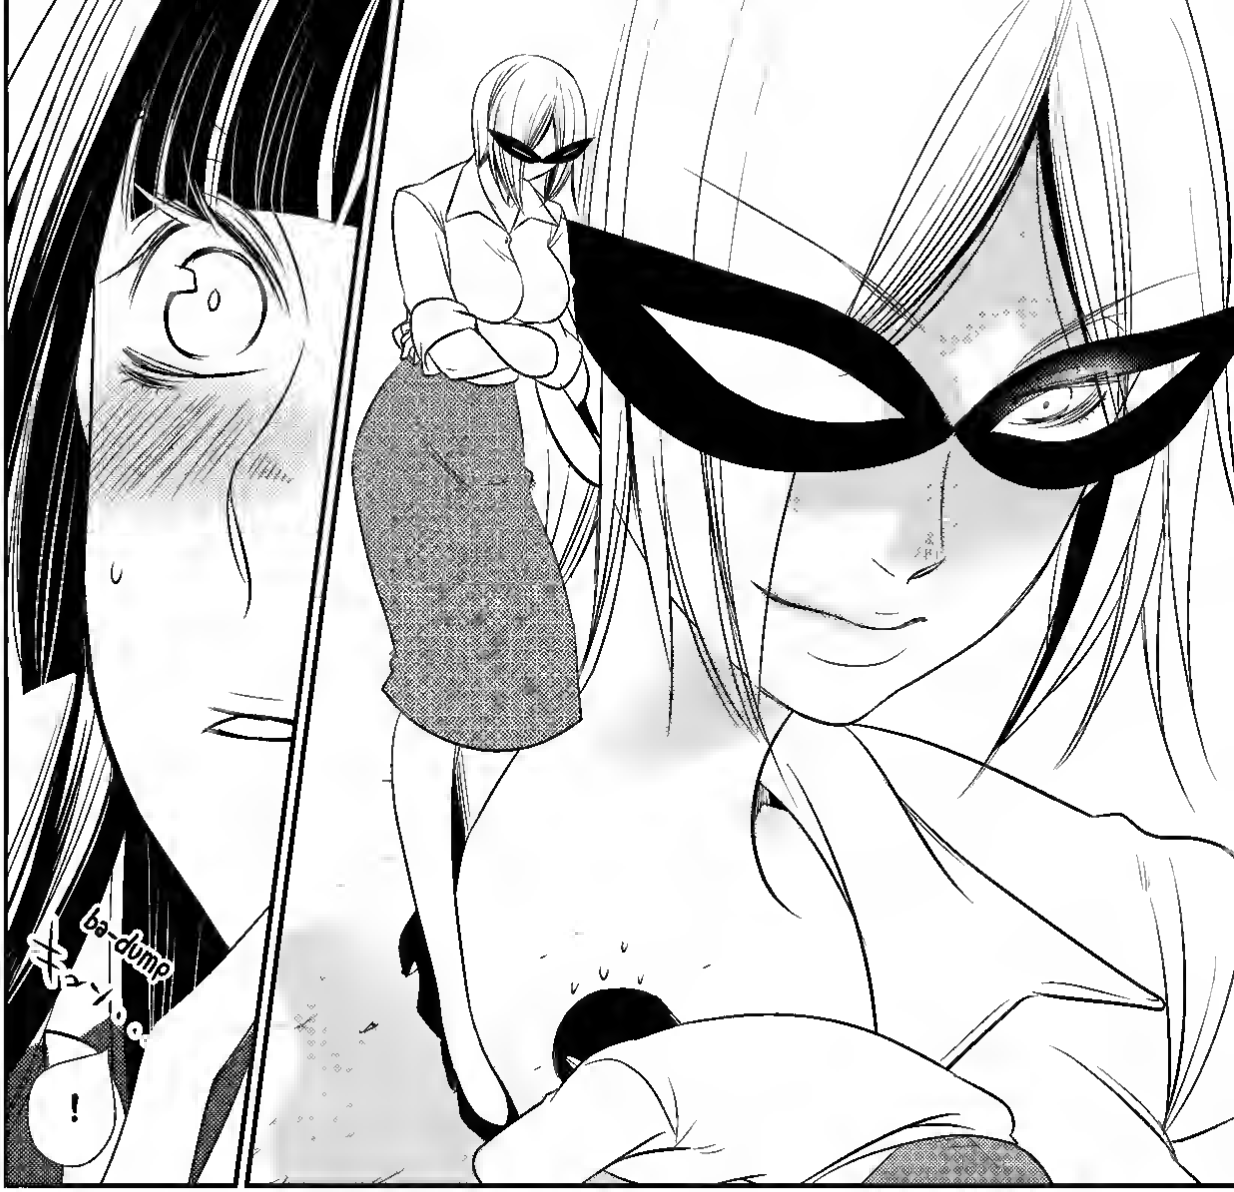
*Like a yakuza group
You think you can get away with this!?
What'll happen?
Uh...
My dad's the head of the Katsuki Group!*
He'll easily take care of...
!
Dad!! There's a weird person–
whoosh
!?
What're you doing with–
Hello, Mr. Katsuki? It's been a while.
...Yes. Your son did something to my precious girl, you see.
I'm glad you catch my drift.
fufu
Huh?
You know my dad...?
Wait, why's she answering his phone?
Precious girl...?



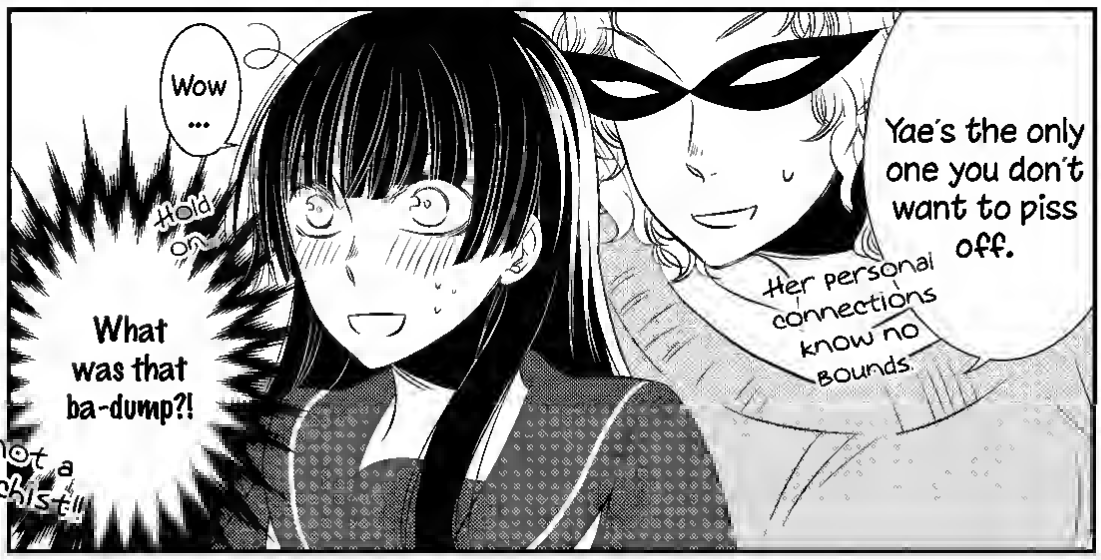
Wai–
Why do I gotta prostrate myself...
Just what're you talking about?!

Huh?!
If I don't kneel down now, our group's gonna get crushed?!
What does that mean...?

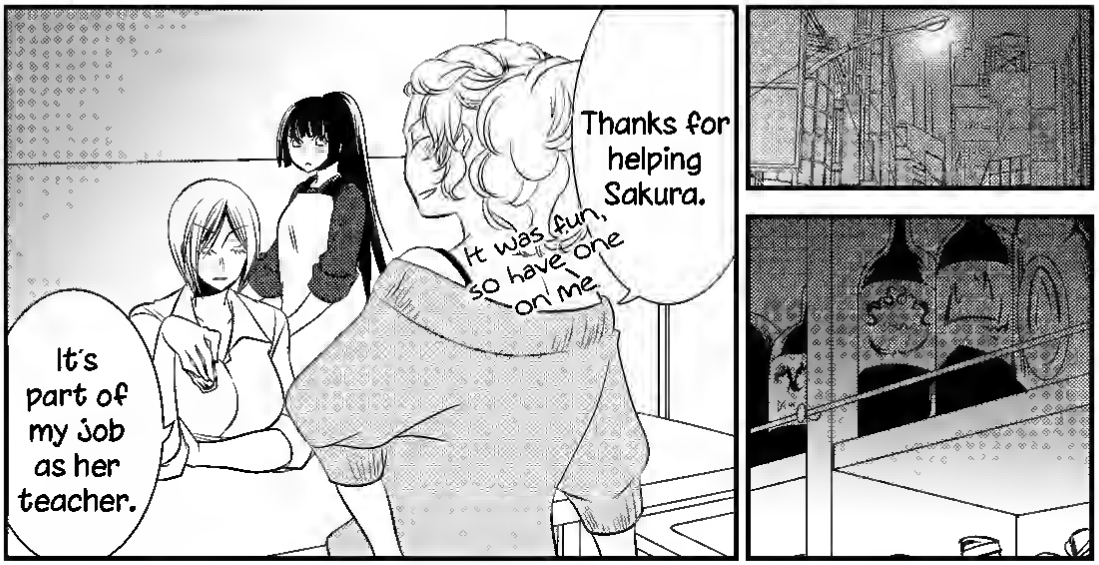
shiver
grin



ba-dump
!



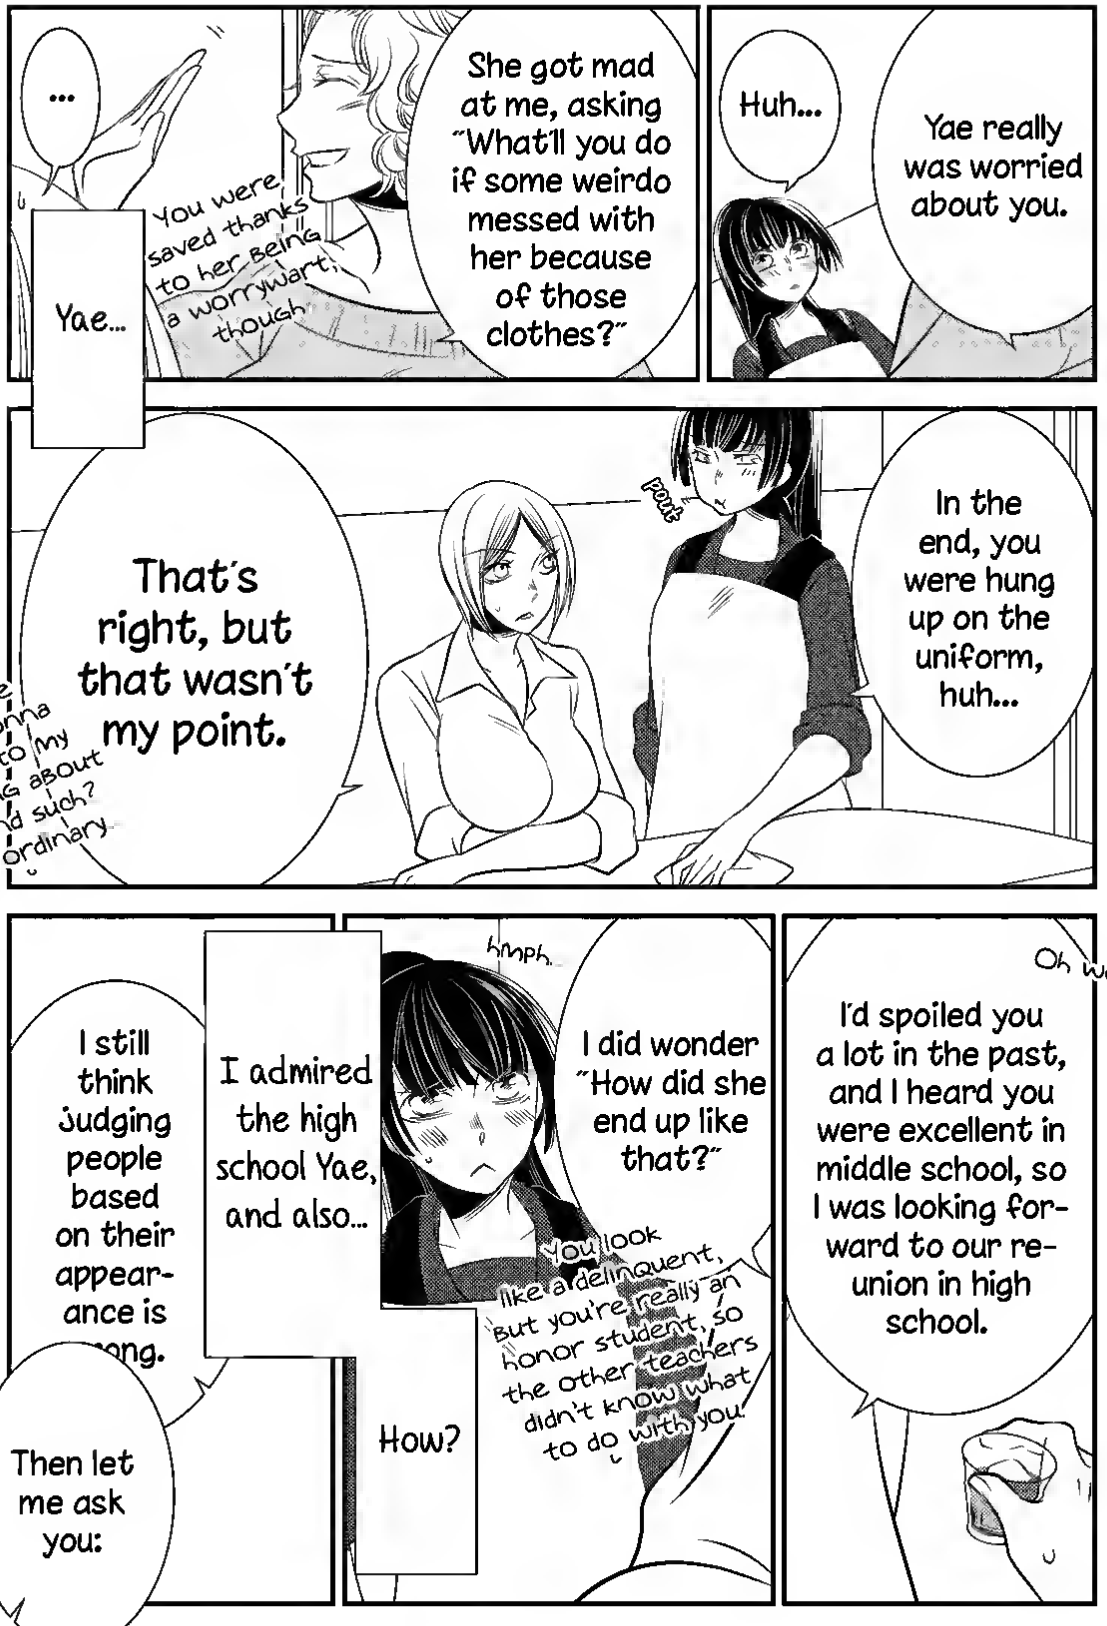
Wow ...
Hold on...
What was that ba-dump?!
I'm not a masochist!!
Her personal connections know no bounds.
Yae's the only one you don't want to piss off.



Thanks for helping Sakura.
It was fun, so have one on me.
It's part of my job as her teacher.

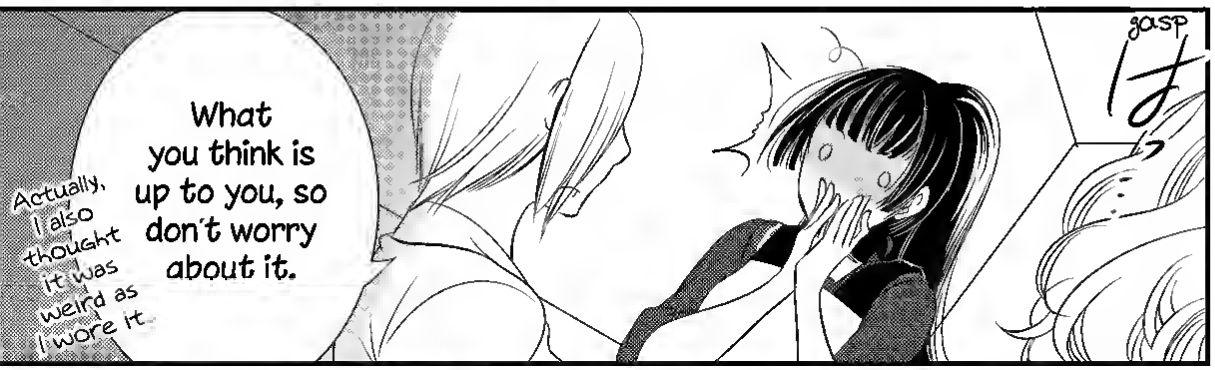
Fo-
Follow?!
Well...
There've been rumors around here of high-schoolers who're up to no good.
That's because Yae asked me to follow you around~
...
Hold on.
How'd you show up just in time?!

Don't be angry
You should forgive Yae.
Doesn't that mean she actually used me as bait!?
You were protecting Sakura and removing trash at the same time.
...
I thought those kinds of bastards would probably go mess with any girl who stands out.

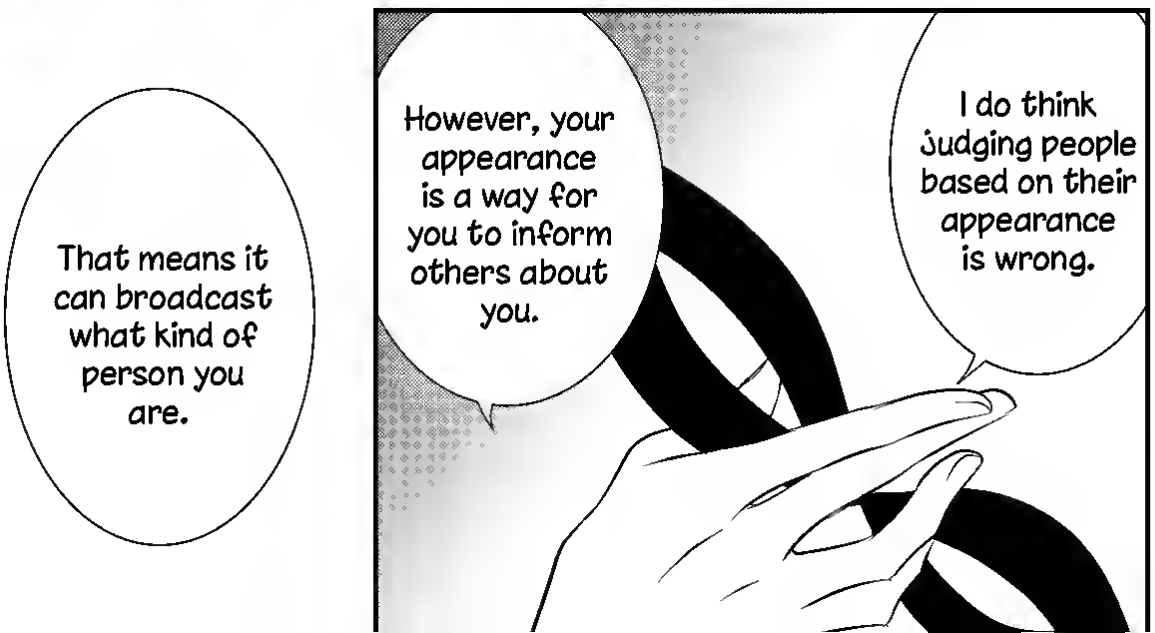


...
Yae...
You were saved thanks to her being a worrywart, though
She got mad at me, asking "What'll you do if some weirdo messed with her because of those clothes?"
Huh...
Yae really was worried about you.
That's right, but that wasn't my point.
You're not gonna react to my worrying about you and such? How ordinary.
Pout
In the end, you were hung up on the uniform, huh...
I still think judging people based on their appearance is wrong.
Then let me ask you:
I admired the high school Yae, and also...
How?
Hmph.
You look like a delinquent, but you're really an honor student, so the other teachers didn't know what to do with you.
I did wonder "How did she end up like that?"
Oh well...
I'd spoiled you a lot in the past, and I heard you were excellent in middle school, so I was looking forward to our reunion in high school.

What d'you think of me wearing this?
I thought "Did she go crazy?"



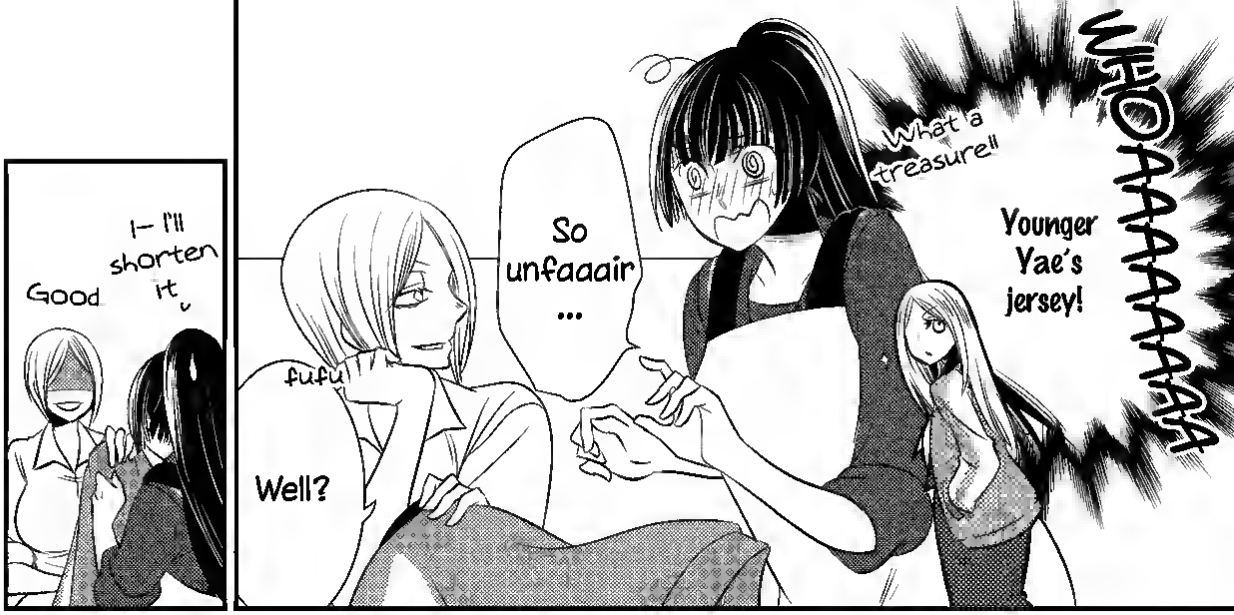
What you think is up to you, so don't worry about it.
Actually, I also thought it was weird as I wore it
gasp



That means it can broadcast what kind of person you are.
However, your appearance is a way for you to inform others about you.
I do think judging people based on their appearance is wrong.

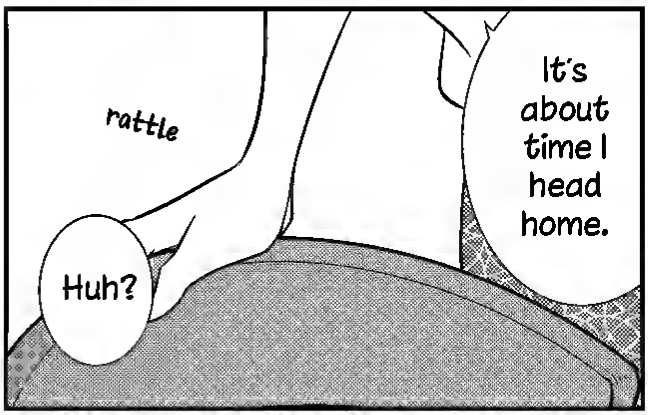
Whom did you want to be noticed by, and how?
I know you've admired me since you were young. That may be the reason, but
if that caused you to be messed with or put in danger, there's no way I'd be happy, right?
Also...

I think you look much cuter with a short skirt.
What're you saying... ?
And with that...
If you shorten your skirt length, I'll give you this.
!
That's—!!

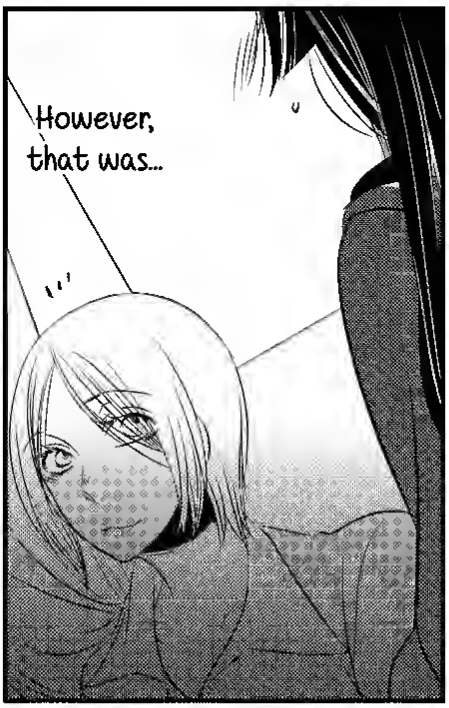


WHOAAAAAAA
What a treasure!!
Younger Yae's jersey!
So unfaaair...
fufu
Well?
I— I'll shorten it
Good

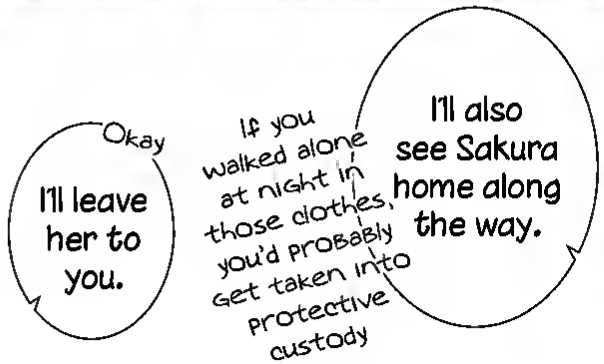
I'm pretty easily swayed...
I was happy to be called "precious girl," and I agreed to shorten my skirt for a gift
I did imitate Yae's appearance because I admired her...
When that was repudiated, I think my stubbornness came out...



It's about time I head home.
rattle
Huh?

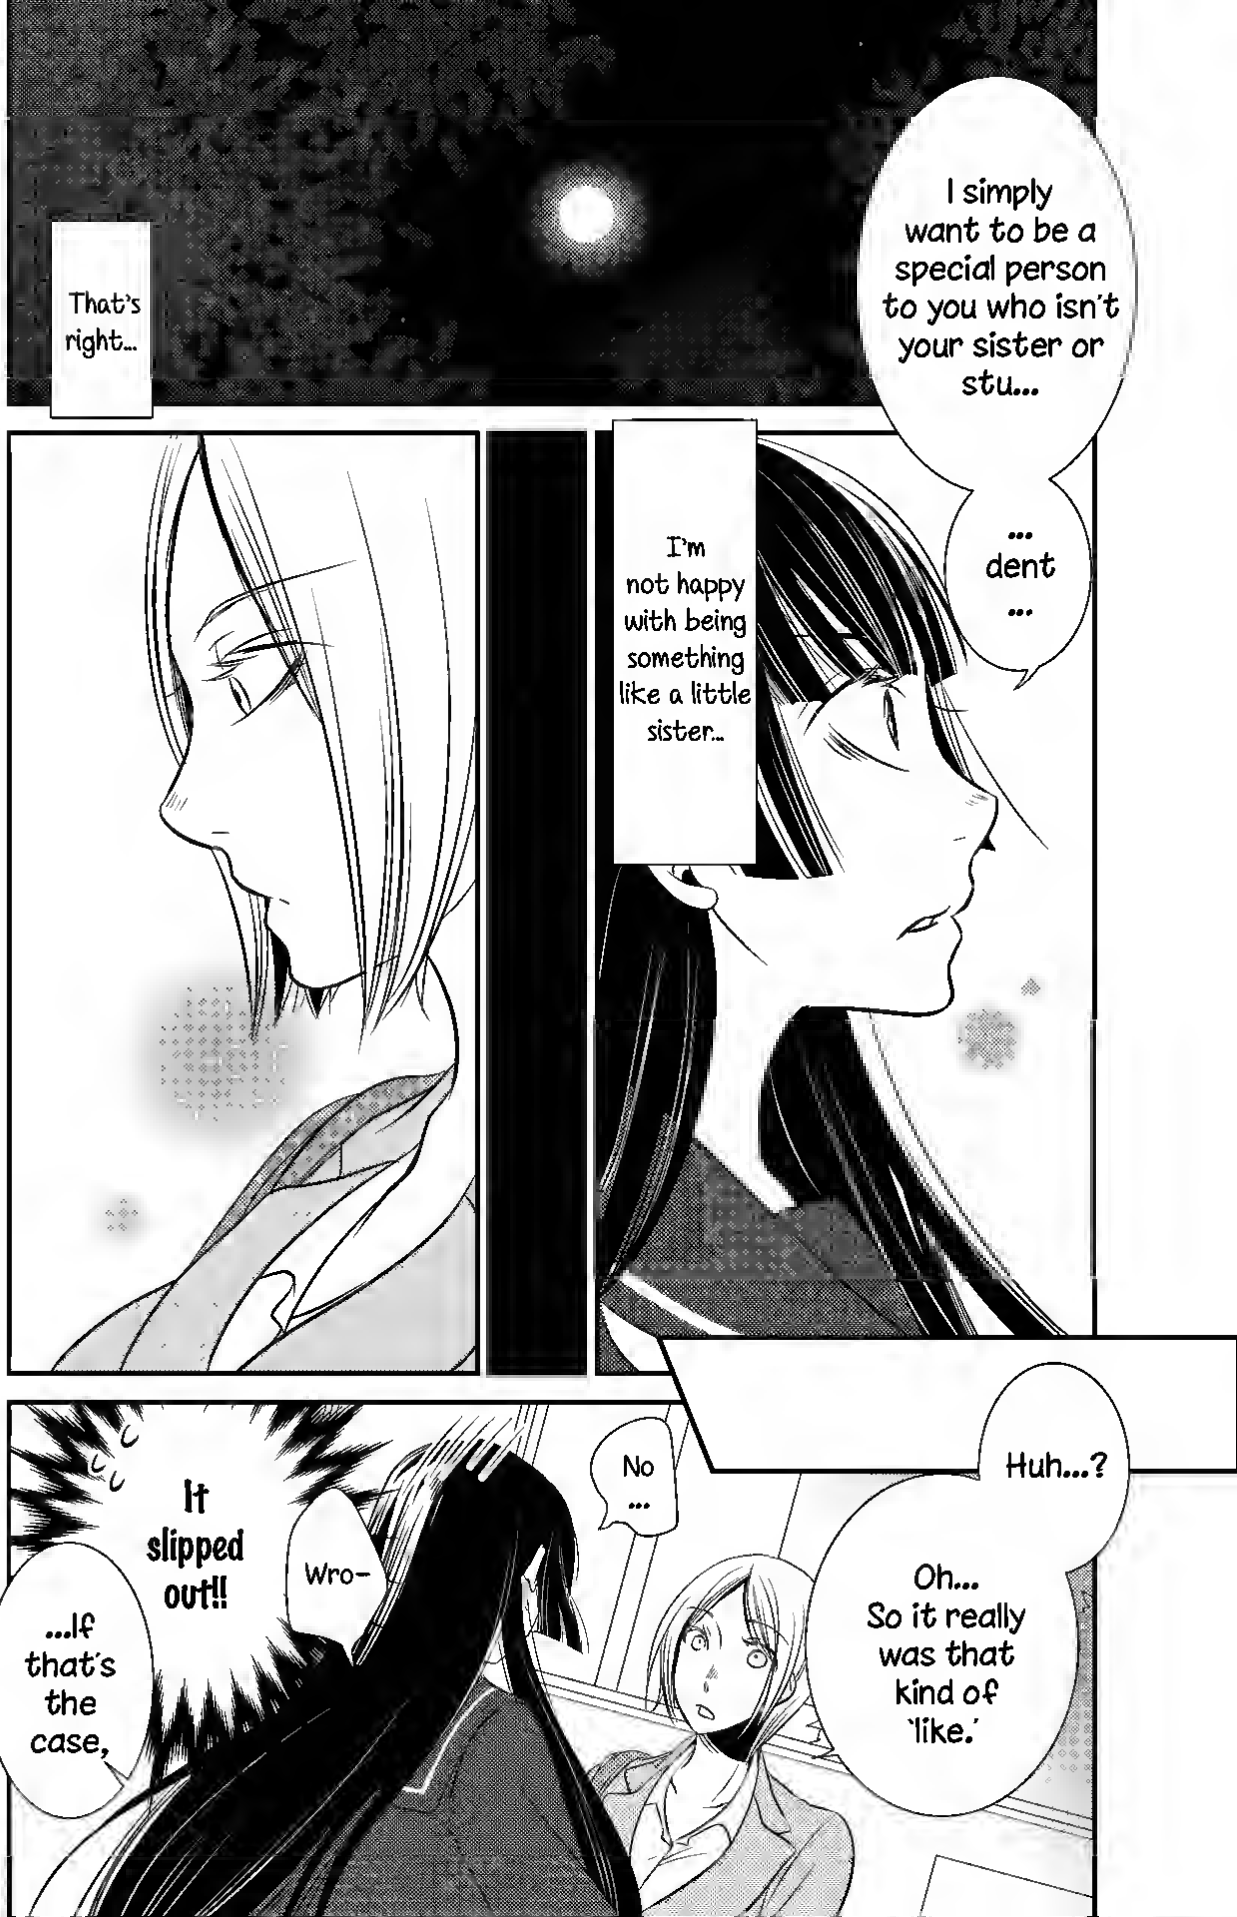


However, that was...



I'll also see Sakura home along the way.
If you walked alone at night in those clothes, you'd probably get taken into protective custody
Okay
I'll leave her to you.

You really do like my high school self's style ...
Huh?
Even though I said all that in front of Kazuko your guardian just now, I was also actually quite happy.
Sister ...
Sorry. Didn't like that?
You're like a little sister to me, after all.



That's right...
I simply want to be a special person to you who isn't your sister or stu...
...dent...
I'm not happy with being something like a little sister...
Huh...?
Oh... So it really was that kind of 'like.'
No...
Wro-
It slipped out!!
...If that's the case,

You'd better work hard, so you can make me yours before you graduate.
gulp
Wha-...!

I'll become a way better woman than you and make you fall head over heels for me!
Please prepare yourself!!
fufu
Looking forward to it.

fin.
